# WELCOME!

## Dear Adopt-A-Day Coordinator,

Here you are, on the threshold of an incredible journey that is about to unfold before you!

How beautiful it is that you are allowing the Lord to work through you in this way! Your task is no small feat, but we know that the Lord has called you to this mission and that He will be there, every step of the way, to see you through it.

Remember to trust in Jesus unfailingly. He will give you the words you need to speak, the energy you need to continue, and the heart that you need to inspire others to join you in the amazing work being done through the 40 Days for Life campaign. Above all, continue to stay true to the core principles of the campaign: Prayer and Fasting, Peaceful Vigil, and Community Outreach.

Never underestimate the power of prayer, particularly the power of your own prayers and the prayers of the volunteers who will stand with you outside Planned Parenthood.

**Because of YOUR prayers,** our sidewalk counselors are seeing an increasing number of women leave the abortion facility and choose LIFE!

**Because of YOUR prayers,** men's and women's hearts are being opened to the healing power of forgiveness!

**Because of YOUR prayers,** the pro-life movement is not only growing within the St. Louis area but also changing the community as a whole!

We are watching in awe as the culture of death within our region is being transformed to one of LIFE - a transformation which would not be possible without the work you will find yourself doing in the upcoming weeks.

The Coalition Life staff will be with you the entire way with advice, templates, training, and support. All you have to do is be willing to say yes to God and His call to speak up for those who cannot speak for themselves.

I wanted to personally thank you for the LIFE you bring to the 40 Days for Life campaign through your time and effort as an Adopt-A-Day Coordinator. We could not do it without you. Welcome to the team!

Sincerely,  
Brian Westbrook  
Executive Director  
Coalition Life

# HISTORY OF THE 40 DAYS FOR LIFE CAMPAIGN

## An International Movement

The first 40 Days for Life campaign emerged from the prayers and collaboration of four dedicated pro-lifers seeking to counteract the abortion industry, Planned Parenthood, that had planted itself in their hometown of College Station, TX. In 2004, David Bereit and Shawn Carney, with their wives Margaret and Marilisa, began to pray for the wisdom to know what pro-life work the Lord desired them to do within their local community. His response to their inquiries was the biblically-based theme of “40 days.” The four were aware of God’s profound historical work within the construct of 40 days (40 days in the desert, a 40 day flood, etc.) and this initial inspiration led them to organize volunteers into the first official “40 Days for Life Campaign.” This first campaign registered immediate success, activating over 1,000 participants and leading to a 28 percent decline in abortions in that community.

The victory that God had led could not be contained. In 2005 and 2006, a half dozen other cities conducted their own 40 Days for Life Campaigns. Though each city required a different approach, none failed to produce positive results. Some abortion facilities cut their operating hours, others closed altogether. Some cities discovered an outpouring of women seeking post-abortion healing. Then, in the fall of 2007, the 40 Days for Life Campaign went national. More than 80 cities in over 30 states participated in a simultaneous outreach that brought in many who had never been involved in pro-life activities before.

Thanks to the 40 Days for Life Campaigns happening all over the country, lives are being saved, hearts are being changed, and people are witnessing the tremendous impact that prayer can provide in the quest to end abortion.

## A Local Solution

Coalition Life, as it is known today, started in 2008 after Brian Westbrook, his wife Marisa, and his mother-in-law Maria Thompson introduced the 40 Days for Life campaign at a St. Ferdinand pro-life committee meeting. Brian explained the simple concept of 40 days of prayer and fasting, peaceful vigil, and grassroots community outreach to bring an end to abortion in the St. Louis community. A small but dedicated group of volunteers decided to launch the very first 40 Days for Life campaign in St. Louis (now Coalition Life) just a few months later in the spring of 2009. This first campaign rallied over 35 churches and 500 individuals, resulting in hundreds of lives impacted and seven confirmed lives saved.

After the completion of the Spring 2009 40 Days for Life campaign, the team continued to grow this grassroots effort to a massive ministry of 95 churches and 2,500 individuals by the summer of 2011. This small group had become tired with growing demands, so on November 10th of 2011, Coalition for Life St. Louis was announced as a new full-time organization with Brian Westbrook named as Founder and Executive Director.

Coalition for Life St. Louis continues to grow. In October of 2019, the team expanded to Fairview Heights, IL to meet the need as the local abortion facility began exporting abortions to a new facility there. In 2021, Coalition for Life St. Louis made the transition to Coalition Life. This name maintains our identity while allowing us to expand beyond the St. Louis region. Our team expanded its reach on the sidewalk and sent a team to Flossmoor, IL. Both in Flossmoor and Fairview Heights, Coalition joined forces with the 40 Days for Life volunteers already at work to make an even deeper impact in each region. Lives are saved through 40 Days for Life, the LIFEChoice Internship program, and Pregnancy Resource Centers, including Women’s Care Connect (Coalition’s Pregnancy Resource Center in the St. Louis region). To date, over 10,000 individual prayer volunteers have stood with us in peaceful vigil.

# YOUR 40 DAYS FOR LIFE SUPPORT TEAM

## BRIAN WESTBROOK

**Executive Director** - Brian became an outspoken pro-life advocate after the birth of his son in 2008 brought with it a new understanding of life, especially the life of the unborn. He helped to start and build a local grassroots 40 Days for Life Campaign that rallied over 150 churches and thousands of people together and dramatically reduced abortions in the region. Brian left his job at a local engineering firm in 2011 to serve as Founder and Executive Director of Coalition Life. Brian and his wife Marisa have six children: Ethan, Eva, Michael, Isabel, and Dominic, and Baby Bernadette.

## MELISSA BARRECA

**Director of Marketing and Community Engagement** - A storyteller by trade, Melissa has worked in public relations and marketing for more than 20 years and served on the Board of Directors for Coalition Life before joining the full-time leadership team as Director of Marketing and Community Engagement. She is the mother of four school-aged children on earth and two babies in heaven, both lost to miscarriage in 2011. A writer, gardener and crafter, Melissa is busy with creative pursuits when she’s not attending kids sports, helping with homework and shuttling to activities.

## GABRIELLE STAFFORD

**LIFEChoice Associate** - Gabrielle has been with Coalition Life for a little over 2.5 years as a LIFEChoice Associate. She not only has a heart for the unborn, but is passionate about reaching their mothers and fathers. She knows how much of an impact 40 Days for Life can have on clients going into Planned Parenthood and is so excited to be a part of helping to run this campaign! She will be ensuring that every hour is covered with a prayer warrior!

## LAUREN KAMMERER

**Community Engagement Assistant** - Lauren has been with Coalition Life since June of 2021. She has always been passionate about the pro-life movement and is an advocate for starting the mission of saving babies from abortion as early as possible by educating our youth on self-respect and the value of the human person. She will be approving Adopt-A-Day applications and contacting coordinators for their lists of volunteers.

## JACQUELYN OLIMPIO

**Community Engagement Assistant** - Jacquelyn has been with Coalition Life since July of 2021. She is passionate about the connection between the end to abortion and the work of Jesus through our prayer and fasting; Jesus is who brought her to this work and it is Jesus who will bring us out of this terrible genocide. She is very excited to reach those churches and schools who need the help and organization to bring a great turnout this year!

## RACHAEL MAYS

**LIFEChoice Associate** - Rachael started as a LIFEChoice Associate with Coalition Life in October of 2020. She leaps to assist in Outreach, sidewalk counseling and to deliver an overall message that our clients are not alone. Life includes taking action to defend and help speak for those who cannot speak for themselves. She knows that reaching out with the love of Christ creates a movement in this operation to help save lives.

# BEST PRACTICES FOR YOUR 40 DAYS FOR LIFE ADOPT-A-DAY

## 1 Form a Core Team (Four Weeks Prior to Vigil)

- Call potential core team members and invite them to be a part of the campaign.
- Host a core team meeting during which you provide your core team members with snacks or dinner and take the time to explain the purpose of the 40 Days for Life Campaign to them. We recommend that you request a Coalition Life team member to attend this first meeting. This is also the perfect opportunity to delegate specific tasks to core team members:
  - Invite the Pastor to the sidewalk.
  - Advertise (including getting advertisements into bulletins, putting posters up, creating display posters, handouts, etc.).
  - Delegate a “contact person” for the vigil day.
- At your first core team meeting, pass around the sign-up sheet to begin filling in the hours.

## 2 Sign-Up Weekend Prep. (Three Weeks Prior to Vigil)

- Schedule a pulpit announcement to be made by either you, one of your core team members, or a Coalition Life staff member (call (314) 827-4039 to request a speaker).
- Schedule bulletin inserts.
- Create flyers and/or posters and handouts to be posted around the church/school.
- Contact leaders of organizations within the church community who are not already involved and invite them to come pray with you on your Adopt-A-Day.
- Prior to sign-up weekend, make copies of Map/Code of Conduct/FAQ sheets and statements of peace, and staple them together.
- Secure a table or space at your church to hold sign-ups; print multiple copies of the sign-up sheet and interest form.

## 3 Sign-Up Weekend (Two Weeks Prior to Vigil)

- On the day of sign-ups, you’ll need to make sure that your sign-up table is ready to go before church begins. When setting up your sign-up table, be sure to have each of the following items ready:
  - Clipboards with sign-up sheets and plenty of pens (sign-up sheets provided in the back cover pocket of this folder).
    - \*\*Note: Sign-up sheets should already have core team names on it. This promotes unity when asking people to sign up. You can always change your chosen time later.
  - Pledge cards (provided in the back cover pocket of this folder).
  - Information packets which include copies of the Map/Code of Conduct/FAQ sheet and the statement of peace.
  - Flyers and signs advertising the 40 Days for Life Campaign

# BEST PRACTICES FOR YOUR 40 DAYS FOR LIFE ADOPT-A-DAY CONT.

## Sign-Up Weekend (Two Weeks Prior to Vigil) cont.

- Sign-up tables should be staffed at all times by at least two people. It is best to decide beforehand which core team members will take which sign-up table shifts.
- If possible, it is ideal to have every exit manned by an older and a younger person; this will help draw a larger demographic of people to your cause.
- During sign-ups, have volunteers sign-up for specific time slots or sign their name on an interest form if they are unsure of their availability for that day.
  - \*\*Note: It is vital that volunteers give some form of contact information, preferably a phone number and email. This information is important for you and us to be able to thank volunteers as well as keep them informed of any last minute changes that may occur.
- For volunteers who do commit to specific hours, it is best to have them fill out their statements of peace and return them to you so that you or another core team member can keep them on file.

## 4 One Week Prior to Vigil Day

- Contact volunteers to confirm time slots. Let them know that they will receive a reminder email from Coalition of their commitment 24 hours prior to their scheduled vigil time.
- Answer any questions they may have and thank them for their time.
- Contact anyone who wrote their names on the interest form to see if they can commit to pray.
- At least 5 days prior to the vigil day, email a copy of your vigil form to [vigil@coalitionlife.com](mailto:vigil@coalitionlife.com). We will use this to fill out the online vigil calendar and keep track of the schedule.
- Continue to keep us updated as new volunteers sign-up. Send any updates to us at [vigil@coalitionforlifetl.com](mailto:vigil@coalitionforlifetl.com) as they come in.

## 5 The Adopt-A-Day

(See Page 8 for tips and a sample Adopt-A-Day outline)

## 6 Follow-Up (Do Not Skip This Step)

- Call volunteers to thank them personally and ask for their feedback regarding their experiences. Email any interesting or touching stories to [stories@coalitionlife.com](mailto:stories@coalitionlife.com).
- Send ‘thank you’ notes to volunteers (Coalition Life is happy to provide thank you cards if needed).
- Make a follow-up pulpit announcement in which you share the good news and experiences of the 40 Days For Life Campaign with the rest of your church community!
- Hold a follow-up meeting with core team during which you:
  - Thank them and recognize them for all of their hard work (provide food!)
  - Discuss strengths and weaknesses of your recruitment process to prepare for the next campaign, and send any feedback back to us.

# SAMPLE ADOPT-A-DAY OUTLINE

The day begins at 7:00 a.m. with the arrival of your first shift of volunteers! A pre-appointed volunteer will deliver a plastic box to the vigil location containing pro-life signs that can be held by any volunteers interested in doing so, a clipboard for all volunteers to sign in, and prayer resources (prayer cards, a large banner, etc.).

Your last vigil shift ends at 7:00 p.m., at which time a pre-appointed volunteer will be there to pick up sidewalk supplies.

It is suggested that you have a core team member (or a rotation of core team members) there to greet volunteers as they arrive every hour. If you can't have a core team member there at every hour during the vigil, then remember to have someone "on call" who can answer phone calls from volunteers at any point during the vigil.

In order to be officially associated with the 40 Days for Life Campaign, volunteers must have signed a Statement of Peace. Extra copies of this document will be included in the box for any volunteers who have yet to sign them; signed statements can be left in the folder in the pocket marked "signed Statements of Peace."

During their scheduled vigil time, volunteers are welcome to pray in any way that feels comfortable to them: walking, standing, kneeling, alone, or with a group. However, make sure that the driveway and sidewalk are clear for traffic. Never leave the materials, signs, or banner alone.

Note that during sidewalk counseling hours (listed below), interns and trained volunteers will be sidewalk counseling, and it is requested that prayer warriors maintain a healthy distance to allow them the best chance possible to engage with clients coming in. All the same, during idle moments the counselors will be more than happy to answer any questions that you or your volunteers may have.

*Be sure to thank volunteers at the end of their shifts.*

# RECRUITMENT, RESOURCES, AND TIPS

## Choosing a Day

Select a day on which you are personally available for most or all of the 12 allotted hours. As the Adopt-A-Day Coordinator, you are responsible for filling all 12 hours of your vigil day, so be sure that you are available to make a significant time commitment. Plan your vigil day around the event calendar of your church or organization to avoid scheduling it too close to major annual church events. If for any reason you are unable to completely fill your 12 hours, don't worry; we will help you fill the gaps.

## Forming a Core Team

Your core team should consist of people that you can trust to be responsible and committed. Historically, selecting core team members who are already involved in other organizations or committees within your church (such as Knights of Columbus, Ladies Auxiliary, Men's Club, etc.) can be very beneficial both for recruiting volunteers as well as expanding the pro-life effort. We suggest a core team of 5-10 people, depending on the size of your church or organization.

## Gaining Support

The 40 Days For Life Campaign is a perfect opportunity to reach out and involve every facet of your church or organization. Ask anyone and everyone to help fill the sidewalk with prayer!

The most successful Adopt-A-Days are those properly backed by church administration. Involving your pastor in the planning and implementation of your vigil day is a sure-fire way to gain even greater support within the rest of your church. Meet with your pastor or church administrator and explain the purpose of the 40 Days For Life Campaign. If you do not feel comfortable doing this, either find a Core Team member who does, or contact us, and we will be happy to send a Coalition Life representative to speak with your pastor on the matter.

**\*\*Note:** even if your pastor/administrator fails to provide the support you desire, you can still have a very successful vigil day!

Another great way to fill your vigil calendar is to include the young people of your church. Send flyers home through your church's Sunday school, parochial school, or youth group. Involving the emerging generation in this type of firsthand pro-life work will ensure the growth of the pro-life movement within your church community.

Finally, advertise aggressively. Utilize church bulletins and community bulletin boards, deliver pulpit announcements, and take advantage of any and all other avenues of advertisement available to you through your church. It is particularly important to deliver pulpit announcements during the weekend of your sign-up drive.
