Parish Adopted Day:

40 Days for Life is a global prayer vigil program that brings a Christian, pro-life peaceful prayer to the sidewalk in front of abortion facilities, public buildings and places of worship in communities around the world. This is an opportunity for pro-life people to stand in public witness for life as a sign to change hearts and minds in our community. _____ (church) has adopted _____ (day/date) as our adopted day for the prayer vigil. Sign up for one hour or more to stand in prayer on this day with us! Sign up _____ (where), _____ (when) _____ (how). To learn more about this campaign, visit CoalitionLife.com.

(Optional Missouri Addendum) Many people have asked why this prayer vigil is still happening in Missouri now that abortion has been banned. This simple answer is because abortion is actually still happening. Missouri women are getting abortions by getting referrals here and driving a few extra miles into Illinois...and they still need our witness to choose life. The gospel calls us to stand for truth despite the laws. Hearts and minds need to be changed and our presence is a sign to the world.

Sign Up for Individual Hours:

Coalition Life would like to invite you to pray for an hour during the upcoming *40 Days for Life* campaign, September 28-November 6 on the sidewalk in front of _____ (facility) at _____ (address). Anyone can sign up for an hour of prayer by visiting CoalitionLife.com and clicking on the registration link, or call 314-827-4039 to join the list of substitute prayer volunteers. The people of our community desperately need to see our peaceful and prayerful presence to change their hearts and minds and bring about a culture of life. Even one hour can save a life.

40 Days for Life Begins this Week; Please Support with Prayers and Fasting:

It shows the power of praying Christians on the sidewalk. Cushions, blankets, personal coolers and drinks (no alcohol) are encouraged. We will provide the popcorn!
